

RESEARCH NON-DISCLOSURE AGREEMENT

In consideration of the opportunity to perform research and use University of Malaya resources in my research work, I hereby agree, as a participant in the:

Research project:

between ___/___/___ (mm/dd/yy) and ___/___/___ (mm/dd/yy) to maintain the Intellectual Property developed in connection therewith in confidence.

1. I understand that Intellectual Property includes technical information, copyrights, models, patterns, drawings, specification, prototypes, inventions, etc., that may be developed in association with or in any way directly related to the research project.
2. I further hereby agree to safeguard and maintain as confidential, to the best of my ability, any Confidential Information, including all Intellectual Property, that is understood at the time of disclosure to be confidential, or that may be disclosed to me during the course of the above-mentioned research project.
3. I further agree that I shall regard information pertaining to the research project as confidential even if there is no explicit indication of such, and will obtain permission from my supervisor/collaborator(s) before I disclose such information.
4. I also agree that upon the completion or termination of my research, I shall be entitled to use and disclose general experiences, learning, and training acquired during said access so long as such disclosure or use does not relate to specific Confidential Information of the University or the Sponsor.

All Confidential Information delivered by University to Student/Researcher will be and remain property of University. All Confidential Information, and any copies thereof, will be promptly returned to University or destroyed by Student/Researcher upon University's request.
